PROVISIONS

BENEFIT SEPARATION PERIOD	PLAN OPTION 1
First Occurrence Benefit Separation Period The number of days that must elapse between the date of diagnosis of two medically unrelated illnesses for benefits to be payable for the second illness as a first occurrence.	**30 days**
Recurrent Benefit Separation Period The number of days that must elapse between the date of diagnosis for the first time an insured is diagnosed and the second time they are diagnosed with the same covered illness.	**90 days**
If an insured is diagnosed with multiple covered conditions that are medically related as determined by a physician, the applicable benefit separation period, we will only pay one benefit which will be the higher critical illness benefit amount. If the last critical illness benefit payment under the certificate was less than 100% of the applicable benefit amount, we will waive the applicable benefit separation period.	

Definitions

Availability of benefit categories and sub-benefits may vary by state.

CRITICAL ILLNESS BENEFIT

First Occurrence – The first time a covered critical illness is diagnosed on or after the insured's effective date.

First Occurrence Critical Illness – If an insured is diagnosed with the first occurrence of a critical illness, we will pay a lump sum benefit. The positive first occurrence diagnosis must be made after the effective date of the certificate, while the certificate is in force, and after the applicable benefit separation period has been satisfied.

Recurrent Critical Illness – If an insured is diagnosed with a recurrent critical illness, we will pay a lump sum benefit. The positive recurrent diagnosis must be made after the effective date of the certificate, while the certificate is in force, and after the applicable benefit separation period has been satisfied. Only one recurrent critical illness benefit may be paid per insured for each critical illness.
Benefits may be subject to lifetime category maximums per insured person.

CRITICAL ILLNESS

An illness or condition listed in one of the covered condition categories. Positive diagnosis must be made by a physician.

BENIGN TUMOR COVERED CONDITION CATEGORY

Benign Brain Tumor – The presence of a non-cancerous tumor located in the brain, or a non-cancerous Meningioma.
Does not include:

- Acoustic neuromas
- Tumors of the skull
- Tumors of the spinal cord
- Pituitary adenomas
- Germinomas

Benign Spinal Cord Tumor – The presence of a non-cancerous tumor, located in the spinal cord.
Does not include:

- Tumors of the brain
- Tumors of the vertebrae
- Tumors of peripheral nerves

Benign Tumor Covered Condition Exclusions

This benign tumor category does not include tumors resulting from:

- Neurofibromatosis I or II
- Von Hippel Lindau disease
- Tuberous sclerosis
- Cowden disease

CANCER COVERED CONDITION CATEGORY

Invasive Cancer – The presence of one or more malignant tumors with invasion of normal tissue and characterized by the uncontrollable and abnormal growth and spread of malignant cells to lymph nodes and/or a body part different from the site of cancer origin.
Includes:

Definitions

- A malignant melanoma for which a pathology report shows a maximum thickness greater than 0.80 millimeters using the Breslow method of determining tumor thickness
- A cancer that is a leukemia or lymphoma
- Where an insured has terminal cancer and has a life expectancy of 24 months or less from the date of diagnosis and will not benefit from, or has exhausted, curative therapy

Non-Invasive Cancer – (Including Carcinoma in Situ) The presence of a malignant tumor and characterized by the abnormal growth of malignant cells which are confined to the site of origin without spread to lymph nodes and/or a body part different from the site of cancer origin. Does not include skin cancer.

Includes:

- A malignant melanoma, for which a pathology report shows a maximum thickness less than or equal to 0.80 millimeters using the Breslow method of determining tumor thickness
- A tumor of the prostate classified as T1bN0M0, or T1cN0M0
- A Carcinoma in Situ classified as TisN0M0
- **Skin Cancer** – Any malignant growth that arises on the surface of the skin that is any of the following:
  - Basal cell carcinoma
  - Squamous cell carcinoma
  - Malignant melanoma that remains confined to the epidermis
- **Cancer Covered Condition Exclusions**

This cancer category does not include other conditions which may be considered precancerous including, but not limited to:

- Leukoplakia
- Hyperplasia
- Polycythemia vera
- Moles
- Lesions
- Similar diseases
-

CARDIOVASCULAR COVERED CONDITION CATEGORY

Coronary Artery Disease Requiring Angioplasty/Stent – Coronary artery disease requiring a balloon angioplasty or other forms of catheter-based percutaneous transluminal coronary artery therapy to correct the narrowing or blockage of one or more coronary arteries. This benefit is confined to the heart; therefore, a narrowing or blockage of renal arteries, carotid arteries, or other peripheral arteries is not coronary artery disease and does not qualify for this benefit.

Coronary Artery Disease Requiring Bypass Grafts – Coronary artery disease requiring a surgical operation to correct narrowing or blockage of one or more coronary arteries with bypass grafts. Angiographic evidence to support the necessity for this surgery will be required. This benefit is confined to the heart; therefore, a narrowing or blockage of renal arteries, carotid arteries, or other peripheral arteries is not coronary artery disease and does not qualify for this benefit. Also for the purposes of this benefit, a surgical operation to correct narrowing or blockage does not include the following:

- Balloon angioplasty
- Laser embolectomy
- Atherectomy
- Stent placement
- Any non-surgical procedures

Definitions

Coronary Artery Disease Requiring Heart Valve Repair or Replacement (Coronary Invasive) – Coronary artery disease requiring the aortic valve or mitral valve is repaired or replaced with a mechanical or bio-prosthetic heart valve by a procedure that is either of the following:

- A surgery in which a median sternotomy is performed
- A minimally invasive procedure in which a transcatheter valve repair or replacement, or minimal incision valve surgery is performed

If the insured is diagnosed with more than one cardiovascular disease covered condition at the same time or on the same day for which a benefit is payable, we will pay the applicable benefit for one cardiovascular disease covered condition, which will be for the covered condition that pays the highest benefit amount.

CHILDHOOD DISEASE COVERED CONDITION CATEGORY

Childhood Disease Covered Condition Exclusions

We will not pay benefits for:

- A suspected or probable diagnosis of a childhood covered condition
- A childhood covered condition that is diagnosed for a stillborn child
- A childhood covered condition that is diagnosed during pregnancy which is later terminated due to abortion or miscarriage

FUNCTIONAL LOSS COVERED CONDITION CATEGORY

Sensory Loss – Loss of sight, hearing or speech.

Paralysis – Quadriplegia, paraplegia, hemiplegia or monoplegia that is expected to last for a continuous 6-month
period or longer from the date of diagnosis to determine if paralysis is permanent. A benefit will not be paid for paralysis that results from a stroke or psychiatric related causes.

Functional Loss Covered Condition Exclusions

- We will not pay benefits for a functional loss covered condition for any of the following:

A functional loss covered condition that is associated with the total and irreversible loss of all brain function (brain death)

- A functional loss covered condition that is a dismemberment of an extremity
- A functional loss covered condition caused by a congenital birth defect

Any functional loss covered condition for which, in general medical opinion or practice, surgery, an adaptive device or other corrective measure could restore function

HEART ATTACK COVERED CONDITION CATEGORY

Myocardial Infarction – The ischemic death of a portion of the heart muscle as a result of obstruction of one or more of the coronary arteries. A positive diagnosis must be supported by either of the following criteria:

- The presence of three or more of the following indicators:

a)Pain, pressure, fullness, discomfort, or squeezing in the center of the chest

b)Radiating pain to the shoulder, neck, back, arm or jaw

c)New EKG changes indicative of myocardial infarction

d)Diagnostic increase of specific cardiac markers typical for heart attack

e)Confirmatory imaging studies

- In the event of death, an autopsy confirmation identifying heart attack as the cause of death will be accepted

D efinitions

Sudden Cardiac Arrest – The sudden, unexpected loss of heart function, breathing and consciousness resulting when the heart suddenly and unexpectedly stops beating because of an internal electrical disturbance of the heart, which results in an insured being pronounced deceased by a physician.

If an insured sustains a myocardial infarction and sudden cardiac arrest which are diagnosed at the same time or on the same day and for which a heart attack benefit is payable, we will pay the critical illness benefit for only one of the heart attack covered conditions; which will be for the heart attack covered condition that pays the highest benefit amount.

Additional proof of loss requirements for heart attack covered conditions may be required.

INFECTIOUS DISEASE COVERED CONDITION CATEGORY

Proof of SARS – CoV-2 infection requires a clinical diagnosis that is substantiated in writing by a physician and must include additional documentation showing any of the following:

- The insured was confined in a hospital as an inpatient in an intensive care unit (ICU) for 5 consecutive days
- The insured has died from SARS – CoV-2 while confined in a hospital as an inpatient in an intensive care unit (ICU)

KIDNEY FAILURE COVERED CONDITION CATEGORY

End Stage Renal Failure – The end stage failure which presents a chronic, irreversible failure of both kidneys, and requires treatment by renal dialysis.

The date of diagnosis of a kidney failure covered condition will be the earlier of:

- The date the insured receives the first kidney dialysis treatment
- The date the insured is placed on the transplant list

MAJOR ORGAN TRANSPLANT COVERED CONDITION CATEGORY

Bone Marrow Transplant – The irreversible failure of an insured's bone marrow for which replacement of the bone marrow (stem cells) from a human donor is medically necessary.

Major Organ Failure Requiring Transplant (Other Than Bone Marrow) – The irreversible failure of an insured's heart, lung, pancreas, kidney (entire renal function), or any combination of such organs, for which a physician has determined that there is medical evidence to support the complete replacement of such organ with an entire organ from a donor. It can also be the irreversible failure of an insured's liver for which a physician has determined that there is medical evidence to support the complete or partial replacement of the liver or liver tissue from a human donor. The need for a transplant must be due to sever organ disease. Documentation of the diagnosis is required that shows the insured has either been placed on the transplant list or such major organ transplant procedure has been performed.

The date of diagnosis of a major organ transplant covered condition will be the earlier of:

The date an insured is placed on the transplant list

- The date an insured undergoes a major organ transplant procedure
- If an insured is placed on the transplant list and then subsequently undergoes a major organ transplant procedure on

the same organ for which the insured was on the transplant list, we will treat this as a single diagnosis of a major organ transplant covered condition.

Two or more organs transplanted on the same day or during the same surgery shall be deemed one diagnosis of a major organ transplant covered condition.

We will not pay benefits for a major organ transplant covered condition for an insured:

Definitions

- If we have paid an initial benefit for a kidney failure covered condition to the insured and the organ for which a major organ transplant procedure is performed is a kidney
- If we have paid an initial benefit for invasive cancer for the same cancer condition for which a major organ transplant of bone marrow replacement is performed
- If prior to the insured's insurance becoming effective, the insured had been placed on a transplant list for the
- same organ for which the major organ transplant procedure is performed
- For a transplant involving organs received from non-human donors
- For a transplant involving implantation of medical devices or mechanical organs

For a transplant involving islet cell transplants

PROGRESSIVE DISEASE COVERED CONDITION CATEGORY

Alzheimer's Disease – A clinically established diagnosis of Alzheimer's Disease that is based upon a sever cognitive
impairment of such progressive nature that it results in an insured's inability to independently perform (without hands-on assistance) 2 or more of the activities of daily living.

Amyotrophic Lateral Sclerosis (ALS or Lou Gehrig's) – A neurodegenerative neuromuscular disease that results in the progressive loss of motor neurons that control voluntary muscles.

Lupus – A systemic autoimmune disease that occurs when the body's immune system attacks its own tissues and organs, causing inflammation affecting many different body systems, including the joints, skin, kidneys, blood cells, brain, heart and lungs.

Multiple Sclerosis (MS) – A chronic and progressive disease involving damage of the sheaths of nerve cells in the brain and spinal cord (central nervous system). MS symptoms may include numbness, impairment of speech and of muscular coordination, blurred vision, and severe fatigue.

Parkinson's Disease – A progressive nervous system disorder that affects movement and results in an insured's inability to independently perform (without hands-on assistance) 2 or more of the activities of daily living for a continuous period of 90 days.

Primary Sclerosing Cholangitis (Walter Payton's Disease) – A chronic, long-term, disease that slowly damages the bile ducts.

Other Dementia – The development of multiple progressive cognitive defects manifested by memory impairment and other cognitive disturbances and for which one or more of the following tests document changes to the specific areas of the brain that result in cognitive disturbances: electroencephalogram (EEG); or imaging studies, including computed tomography (CT), magnetic resonance imaging (MRI), fluorodeoxyglucose positron emission tomography (FDG Pet Scan) or amyloid positron-emission tomography scan. Cognitive Disturbances are defined as the following intellectual impairments: aphasia, apraxia, agnosia, disturbance in executive functioning.

Other dementia includes the following types of neurological conditions:

- Lewy body dementia
- Progressive supranuclear palsy
- Corticobasal degeneration
- Parkinson's disease dementia
- Frontotemporal dementia
- Primary progressive aphasia
- Normal-pressure hydrocephalus
- Rapidly progressive dementia as in Creutzfeldt-Jakob disease

Other dementia does not include:

D efinitions

- Alzheimer's disease
- Substance-induced conditions
- A form of dementia that is a mental and nervous condition, such as schizophrenia or psychoses
- Any form of Parkinson's disease other than Parkinson's disease dementia
- Reversible dementias such as those caused by thyroid or other hormonal abnormalities, or vitamin deficiencies

For the purposes of this category, Activities of Daily Living include the following activities: bathing, continence, dressing, eating, toileting, transferring.

SEVERE BURN COVERED CONDITION CATEGORY

Severe Burns – Insured has sustained a burn that is at least a third-degree burn and covers at least 20% of the total body surface area.

STROKE COVERED CONDITION CATEGORY

Stroke - A cerebrovascular event resulting in permanent neurological damage, including infarction, hemorrhage, or embolization of brain tissue from an extracranial source. The diagnosis must be based on documented irreversible neurological deficits and confirmatory neuroimaging studies. A stroke does not include cerebral symptoms due to:

- Transient Ischemic Attack (TIA)
- Reversible neurological deficit
- Migraine
- Cerebral injury resulting from trauma or hypoxia
- Vascular disease affecting the eye, optic nerve or vestibular functions

Transient Ischemic Attack (TIA) – A temporary ischemic event (including prolonged reversible ischemic attacks) in which:

- There are measurable, functional neurological impairments that are focal and confined to an area of the brain perfused by a specific artery
- There is no evidence of cerebral tissue damage on diagnostic imaging
- The reversible functional neurological impairments are confirmed by a clinical diagnosis

VASCULAR DISEASE COVERED CONDITION CATEGORY

Abdominal Aortic Aneurysm – Located in the abdominal (lower) part of the aorta

Thoracic Aortic Aneurysm – Located in the thoracic (upper) part of the aorta

Carotid Artery Aneurysm – Located in the portion of the carotid artery that is in the neck

Cerebral Aneurysm – Located in an artery in the brain

Renal Aneurysm – Located in the renal artery

About Transamerica Accident Insurance

BECAUSE ACCIDENTS HAPPEN

An accident can happen to anyone, at any time. When employees are able to protect their finances — even when unexpected accidents happen — they can worry less and focus more on what's important. That's why Transamerica offers the voluntary benefits employees need to help provide financial protection against the unexpected. So when accidents happen, our accident insurance helps with out-of-pocket costs major medical insurance won't cover — whether it's a minor injury or something more severe.

OFFER MORE PROTECTION WITH TRANSAMERICA ACCIDENT INSURANCE

Transamerica's supplemental accident insurance works side-by-side with major medical insurance to help cover injuries and treatments due to a covered accident. It assists with recovery costs, including those accrued from treatments such as acupuncture, chiropractic, mental health, and much more, accelerating their paths to feeling better. A flexible option that can help strengthen a benefits package, it allows you to customize the plan design at the covered condition level. This tailored approach helps you better meet the needs of each employee.

TRANSAMERICA ACCIDENT INSURANCE HIGHLIGHTS

- Added benefits available, including benefits for organized sports, mental health, acupuncture/chiropractic, and observation
- Insurance for individuals and families
- Ability to tailor the plan design at the covered condition level
- Can match and improve on an existing plan design
- Easy payroll-deduction premiums
- Streamlined billing and self-administration without the need to reconcile at the policy level

Therapy must begin within 180 days of the accident. All treatments must be completed within 1 year after the a cci de nt.

Transportation – A benefit will be paid for round-trip transportation if an insured requires confinement in a hospital more than 50 miles from the insured's primary residence as the result of an accident. The local attending physician must prescribe the treatment and the treatment must not be available locally. Travel and hospital confinement must occur within 90 days of the accident.

MAJOR INJURIES

Each of the following Major Injuries benefits will be payable once per insured per accident.

Burns – A benefit will be paid if an insured suffers burns due to an accident. If multiple burns exist, the highest benefit for the most severe burn will be paid. When applicable, the Skin Graft benefit will be paid in addition to the burn benefit. Burns must be treated by a physician within 4 days of the accident.

Coma – A benefit will be paid if an insured suffers a coma due to an accident. The benefit amount varies by whether the coma was induced or non-induced. The coma must last for a minimum of 10 consecutive days before this benefit is payable.

Paralysis – A benefit will be paid if an insured becomes paralyzed due to an accident. Paralysis must last a minimum of 30 consecutive days before this benefit is payable.

Major Surgery – A benefit will be paid if an insured undergoes an open abdominal, cranial, or thoracic surgery performed by a physician within 1 year of the accident. Laparoscopic procedures are excluded.

Exploratory Surgery – A benefit will be paid if an insured undergoes minimally invasive surgery performed by a physician within 1 year of the accident using manual and instrumental means of investigating an area of the body suspected of disease when a specific diagnosis is not possible through noninvasive or simple biopsy techniques. Laparoscopic procedures are included.

Surgery on Tendons, Ligaments, Rotator Cuffs – A benefit will be paid if, as a result of an accident, an insured undergoes surgery for tendons, ligaments, or rotator cuffs that are detached, torn, ruptured, or severed. Surgery must be performed by a physician within 1 year of the accident.

Surgery on Ruptured Discs or Torn Knee Cartilage – A benefit will be paid if an insured undergoes surgery for a disc in the spine that is ruptured or knee cartilage that is torn. Surgery must be performed by a physician within 1 year of the accident.

ACCIDENTAL DEATH BENEFITS

Benefits for the loss of life resulting from bodily injuries resulting from an accident. Accidental death must be independent of disease or bodily infirmity or any other cause, other than an accident.

Accidental Death – A benefit will be paid for the insured's accidental death. The accident must occur while insurance is in force. Such accidental death must occur within 12 months of the accident. The benefit will be paid to the beneficiary.

Only one Accidental Death benefit will be paid per insured, the highest applicable benefit, as described below:

Definitions

- Automobile Accident – Accidental death resulting from an accident that occurs while the insured is driving or riding as a passenger in an automobile. Automobile is defined as a four-wheeled private passenger motor vehicle licensed for use on public highways and is not being used to transport passengers for hire. The Automobile Accident benefit will not be payable if the insured is the driver of the automobile and does not hold a current and valid driver's license.
- Common Carrier Accident – Accidental death resulting from an accident that occurs while the insured was riding as a fare-paying passenger on public transportation. Public Transportation is defined as a public passenger conveyance operated by a licensed common carrier for the transportation of the general public for a fare and operating on regularly scheduled passenger routes with a definite schedule of departures and arrival times. Common carrier vehicles are limited to commercial airplanes, trains, buses, trolleys, subways, ferries, and boats that operate on a regularly scheduled basis between predetermined points or cities. Taxis, limousines, and privately chartered vehicles are not common carriers.
- Other Accidental Death – Accidental death resulting from any other bodily injury other than Automobile Accident or Common Carrier Accident.

Transportation of Remains – A benefit will be paid if, as a result of an accident, the insured dies more than 200 miles from their primary residence and expenses are incurred to transport the insured's body to a mortuary near their primary place of residence. This benefit is payable once per insured and only if the Accidental Death Benefit is payable. This benefit will be paid to the person incurring the expense.

DISMEMBERMENT BENEFITS

A benefit will be paid if an insured suffers a dismemberment due to an accident. Dismemberment must occur within 12 months of the accident. A dismemberment is defined as a bodily injury that is independent of disease or bodily infirmity and results in the complete severance of a body extremity or the complete loss of sight, speech, or hearing.

SURVIVOR BENEFITS

The following benefits are paid to the survivor upon the accidental death of an insured. For purposes of these benefits, Survivor is defined as any of the following:

Surviving insured – if the spouse is deceased from the accidental death

- Surviving spouse – if the insured is deceased from the accidental death
- Legally appointed guardian of each surviving child – if both the insured and spouse are deceased from the accidental death

The survivor does not need to be insured under this certificate to receive survivor benefits.

Career Enrichment Benefit – A benefit will be paid if the survivor enrolls in a professional or trade training program on a full-time basis within 24 months of the accidental death. The training program must be for the purpose of obtaining an independent source of income or enriching the survivor's ability to earn a living. The training program must be at an accredited college, university, a 2-year college, vocational, or trade school. This benefit will be paid each year for up to 4 years while the survivor remains enrolled in a training program. Satisfactory proof of enrollment must be provided annually. If there is no survivor, a one-time benefit of $200 will be paid to the beneficiary.

Child Care Center Benefit – A benefit will be paid when the following conditions are met:

The surviving child must be within the ages of newborn through 12 years

- The survivor pays a child care center for day care, within 90 calendar days after the date of the accidental death
-
-

Definitions

- The day care is necessary in order for the survivor to work or to obtain training for work
  This benefit will be paid each year for up to 4 years while the surviving child is enrolled in a child care center, provided the child remains enrolled in a child care center during that time. This benefit will be paid in equal installments over the 4-year period. Separate benefits will be paid for each surviving child who meets the requirements for this benefit. Satisfactory proof of enrollment must be provided annually. If there is no surviving child between the ages of newborn through 12 years, a one-time benefit of $200 will be paid to the beneficiary.

  For purposes of this benefit, the child care center must be an appropriately licensed facility or home that meets all of the following conditions:

- Provides supervision for more than 6 persons (other than persons who reside there) under the age of 13 years for less than 24 hours per day
- Receives a payment for providing dependent care services
- Has a Taxpayer Identification Number
- **Child Education Benefit** – A benefit will be paid when the following conditions are met:

  The surviving child must be within the ages of 17 years through 21 years

- The surviving child must be enrolled or must enroll within 2 years of the accidental death, as a regular, full time student at an accredited college, university, 2-year college, vocational, or trade school
- This benefit will be paid each year for up to 4 years while the surviving child is enrolled in school. This benefit will continue to be paid only while the surviving child remains a full-time student. This benefit will be paid in equal installments over the 4-year period. Separate benefits will be paid for each surviving child who meets the requirements for this benefit. Satisfactory proof of student status must be provided annually. If there is no surviving child between the ages of 17 years through 21 years, a one-time benefit of $200 will be paid to the beneficiary.

About *Hospital Select II* Hospital Indemnity Insurance

OFFER EXTRA BENEFITS — AND ADDED REASSURANCE

When employees are able to protect their finances and loved ones, they're free to focus on what's important. But unexpected medical costs following a hospital stay can be financially — and emotionally — devastating.

Transamerica's *Hospital Select II* hospital indemnity insurance gives you one more valuable option for your benefits package – and helps your employees know that a hospital stay won't have to jeopardize their family's financial future.

HOW *HOSPITAL SELECT II* WORKS

A supplement to traditional medical insurance, *Hospital Select II* hospital indemnity insurance pays a cash benefit that can be used to help cover deductibles, lost income due to missed work, and other expenses that can come up because of hospitalization. You can also add a number of additional riders to provide additional benefits.

HOSPITAL SELECT II HIGHLIGHTS

- Benefits for full-time, part-time, hourly, seasonal, and temporary workers and their eligible family members
- No co-insurance, co-pays, waiting period, or deductibles
- No health questions, exams, or blood tests
- Payroll-deducted premiums starting at $10 per month for employee insurance benefits
- Streamlined billing and self-administration without the need to reconcile at the policy level
- Benefits paid in addition to any other insurance the insured may have
- No pre-existing condition limitations

See Product Details for more details

This is a brief summary of *Hospital Select® II* hospital indemnity insurance policy **underwritten by Transamerica Life Insurance Company (TLIC)**, Cedar Rapids, Iowa. TLIC is not an authorized insurer in New York. Policy Form Series TMHI1000-0118 and TCHI1000-0118. Forms and numbers may vary. Insurance may not be available in all jurisdictions. SPOUSE ELIGIBILITY UnderwritingOfferandEligibility

To be eligible for insurance, a spouse must:

- Be at least 18 years old
- Be a legally married spouse, common law marriage partner, domestic partner, or civil union partner if legally recognized in the governing jurisdiction or as otherwise agreed upon between you and us
- Not be disabled (must be able to perform the majority of the normal activities of a person of like age in good health)
- Not be covered by any Title XIX program such as Medicaid

CHILD ELIGIBILITY UnderwritingOfferandEligibility

Children must be under the age of 26 and be any of the following:

- The insured's natural child
- A legally adopted child or a child who has been placed with the insured for adoption
- A stepchild or foster child
- A child for whom the insured is appointed legal guardian or for whom the insured is legally required to provide support

Child must also not be covered by any Title XIX program such as Medicaid.

If applicable, child will also include any children of your other adult dependent in the same manner as a stepchild.

If an insured has reached age 26, but is incapable of self-support because of mental or physical impairment, we will continue the child's insurance under the following conditions:

1. The child must be incapacitated
2. We must receive proof of incapacity within 31 days after insurance would otherwise terminate
3. We may require additional proof of such incapacity from time to time, but not more often than once a year after the two-year period following the date the child attains age 26
4. Your insurance must remain in force

MINIMUM PARTICIPATION UnderwritingOfferandEligibility

At least 3 eligible employee applications are required to establish and maintain an employer group with monthly list bill administration, other group types and administrative requirements may require higher participation.

EVIDENCE OF INSURABILITY UnderwritingOfferandEligibility

Insurance is Guaranteed Issue when an applicant first becomes eligible for insurance.

Insurance applied for at a later date will be considered a Late Enrollee. Late Enrollee applications are underwritten on an

accept/reject basis. If an employee answers “yes” to the questions on the application, we will decline the application for all persons for whom insurance is being requested. If there is a “yes” answer to the questions for the spouse, the spouse only will be declined insurance. If there is a “yes” answer to the questions for a dependent child, that one child will be declined insurance.

OTHER CONSIDERATIONS Underwriting Offer and Eligibility

Please be aware of the following:

- This proposal is based on employer groups with 250 eligible employees only and may not be available to other group types or sizes
- **Please note that at this time we are only able to offer insurance to New Mexico residents if there are one hundred (100)or fewer eligible employees residing in New Mexico. If there are more than one hundred (100) eligible employees residing in New Mexico currently, or at any time in the future, we are not able to offer insurance to those individuals. We will rely on each employer to alert Transamerica if there are more than one hundred (100) eligible employees residing in New Mexico currently, or at any time in the future.**

  We are also not able to offer insurance to any members of non-employer groups that are residing in New Mexico.
- For Massachusetts Residents: This product DOES NOT MEET CREDITABLE COVERAGE STANDARDS and WILL NOT SATISFY the Massachusetts individual mandate that you have health insurance
- A Vermont proposal needs to be generated for employees residing in Vermont if:
  - More than 25% of employees reside in the state of Vermont; or
  - Face-to-face solicitation will be performed at a workplace in the state of Vermont

  Impacted employees should enroll in Vermont approved insurance

- The date of the dependent's death
- The premium due date when we fail to receive a premium, subject to the grace period
- The date the employee requests the dependent's insurance to be canceled, or the date the request is received, whichever is later
- The date the policy is modified so as to exclude dependent insurance

The insurance company has the right to terminate the insurance of any insured who submits a fraudulent claim.

Termination will not impact any claim which begins before the date of termination.

TERMINATION OF THE GROUP MASTER POLICY

This policy will end on the earliest of the following events:

- If the policyholder submits an advance written request to us to terminate this policy, this policy will terminate on the date specified in that request

Limitations and Exclusions

- If we give a 60-day advance written notice to the policyholder that we intend to terminate this policy, this policy will terminate on the date specified in that notice
- If any premium payable by the policyholder is not paid within its grace period, this policy will terminate on the day after the end of the grace period
- If the policyholder fails to comply with any terms of this policy or the policyholder application; fails to fulfill any obligations or duties under or pertaining to this insurance; or fails to comply with or cooperate with us in satisfying the requirements of any applicable law or regulation pertaining to this insurance; this policy will terminate on the 32nd day after we have given the policyholder written notice of our intent to terminate

OTHER INSURANCE WITH US

An employee can only have one hospital indemnity policy or certificate with us. If a person already has hospital indemnity insurance with us, such person is not eligible to apply for this insurance.

Group Benefits Disclosure Policy

Transamerica Employee Benefits (TEB) is a unit of Transamerica Life Insurance Company and Transamerica Financial Life Insurance Company. TEB markets and administers voluntary insurance benefits through licensed insurance agents. These agents are typically appointed to sell our products, and products of other providers, and receive various forms of compensation from us for the services provided. We believe our compensation arrangements with our agents are conducted with honesty, fairness, and integrity. In addition, we realize that having trusted relationships between our agents and our customers is essential to all involved. To ensure this trust continues and to address any concerns within the industry, we have outlined our policy on agent compensation disclosure.

TEB's policy supports transparency and full disclosure of agent compensation to our customers and prospective customers. In addition, we have put controls in place to facilitate this disclosure and obligate our agents to disclose compensation information to customers: 1) when asked by a customer; 2)when receiving both a fee from the customer and compensation from TEB; and 3) when otherwise required by law. Agents must comply with all applicable laws in the sale of TEB products, including any pertaining to the disclosure of compensation information.
